Mr. Abe Manley.

Dear sir.

I have talked to Mr. Jackson also Cum. They asked me to write you about some of your players. First they would like to know if you are going to have a regular monthly salaried club or just going to play on the week ends and holidays. If you are not going to play only on the week ends we would like for you to let us bolster our club as we have to have some new faces in Washington in order to draw the people in. Abe they also asked me about some of your players going to Mexico. Sonny says if you can't hold them by paying the salaries they want to give him a chance deal with the ones that are going because we need to keep all the good players we can in our league.

Now this is the proposition he would give you \$500 ⁰⁰ for each man say about three. Would also give you 5% of our share in the worlds series in case we would be in it. He told me to write you so you would have chance to see what you are going to do and would call you Sunday night at 8 P.M. It is about time the ball players are contacted and see who we are going to have. As I promised you last fall I will keep the opening night game at Washington for your club. We are not particular about playing some of the clubs night games in Washington. You know how some of the clubs did about the change in the President. On our booking we are going to act accordingly. Expect a call at 8 Sunday night.
